HERITAGE Series Descriptions

♦ HERITAGE Series Doors:
  Doors with Hand Applied Raised (or Flush) molding with Raised (or Flat) panels, create a far more in depth look than routed or pressed panel doors. Our Heritage Series doors are often specified by Architects and Designers.

♦ Door Designs:
  Standard: ___ See Design Gallery for Heritage Series.
  Custom: ___ We also make Custom Designs per customer's request.

♦ Door Thicknesses:
  Standard: __ 1-3/4", 1-3/8".
  Custom: ___ 2-1/4" or other thickness requested by customer.

♦ Door Widths:
  Standard: __ 2/0, 2/4, 2/6, 2/8, 3/0.
  Custom: ___ Under 2/0 (min. 1/0) or any width between 2/0~3/0, or over 3/0 (max. 4/0).

♦ Door Heights:
  Standard: __ 6/8, 7/0, 8/0.
  Custom: ___ Under 6/8, or any height between 6/8~8/0, or over 8/0 (up to 10/0).
